

THE 460: Technical Theatre Capstone

Theatre as an art form, production concept, the production process, and communication with the production staff & director are discussed and applied in Technical Theatre Capstone to develop a realized Theatre program production for the Technical Theatre student. Training includes work on a Theatre program production as a member of the Production Staff (Designers, Technical Director, etc.) where the student will meet required standards and execute their developed methodology for designing, and/or managing a production in an educational theatre setting. Public performance of the production is part of the course. *Technical Theatre Capstone* fulfills Professional Writing and Communication requirement for Theatre majors.
