

# ODL 570: Program Capstone

This course provides the opportunity for the learner to unite all the concepts and coursework from the program and apply it through a real-world project within an organization. During the semester, the student will work to define the problem and apply critical thinking, action research, and applied learning to propose a series of actions to address the issue. The final project will include a project plan, executive summary and oral presentation given to the chosen organization and submitted for scoring.
