

CHE 483: Senior Capstone

Required of all Senior Chemistry majors. The students will present a 30-minute oral presentation which will include the background of the research, purpose of the research, hypothesis and results based on a research paper. Students will critique presentations by their peers, current faculty members, and visiting scholars. Required of all Senior Chemistry majors. This course is the same as BIO 482; no credit will be awarded to students who have taken BIO 482.
