

# Advance Deposit for Housing Reservation

A housing reservation fee of \$150 is required of all returning students seeking housing reservations. This deposit must be paid prior to participating in Room Selection during the spring semester. This deposit is refundable if the College is notified in writing before May 31 of the student's intention not to return to Newberry College for the following academic year. This deposit becomes a credit to the student's financial account as of July 1, 2024.
