

# Grades and Academic Standing

Graduate courses will use a ABCF grading system with the following quality point values:

A	4 quality points
B+	3.3 quality points
B	3 quality points
C	2 quality points
F	0 quality points

The total number of courses taken and total quality point values for each final graded earned are used to calculate the cumulative GPA:

Total Points/# of Courses

For example, if you took 4 courses - and earned 2 As, 1 B, and 1 C, your GPA calculation is:

$$4 + 4 + 3 + 2 = 13 \text{ Total Points [divided by] } 4 - \# \text{ of Courses}$$

$$13/4 = 3.25 \text{ Cumulative GPA}$$
