

# Graduate Program' Policy for Repeating Courses

- Newberry College graduate students may repeat a maximum of two graduate courses if they earned a “C” or “F”.
- Graduate students who earn an “F” in a graduate course must take the course again - at Newberry College. If the course is successfully repeated and a “C” or higher is earned, the failing grade will be removed from the GPA calculation.
- A repeated course in which a “C” is earned counts toward the maximum of two Cs in graduate coursework to earn the master’s degree.
- All course attempts, repeated courses, and associated final grades will appear on the graduate student’s official transcripts.
